

Macy and her family

2C Li Tsz Ki

It is autumn. The weather is cool and sunny. The wind blows lightly in the sky. It is a beautiful day.

Macy and her family are in the country park. They are having a barbecue. They have chicken wings and sausages. The food is very yummy. They feel terrific.

Now, they are flying a kite in the blue sky. They like playing in the country park. They have a wonderful day!
