

A postcard to Patrick

2D Kueng Chi Lok, Anson

2nd June, 2022

Dear Patrick,

How's life in the US now? It's spring in Tokyo. The weather is warm and sunny. I'm wearing a jacket and I put on my sunglasses. People in Tokyo go to the park in spring. They enjoy the cherry blossoms there.

What do you do in spring in the US?

Please write soon.

Yours,

Anson
