

Hello everyone!

My name is Clarenica. In the Meng Tak Activity Month, I want to take the crafts making class and the cooking class. I can cook but I'm not good at it. I want to take the class because I want to cook delicious dishes for my family. Also, I like making crafts so I want to join the crafts making class. I want to make a lot of beautiful crafts, too.

I want to enter the Art Contest. I am good at making crafts. I can make different things from recycled materials.

I wish I could win the contest! Thank you for listening!
