My best friend

Yuka is my best friend. She is 9 years old. Her birthday is on 19th May. She lives in Chai Wan with her parents and a younger brother. She has been my best friend for three years.

She has long straight hair. Her eyes are as bright as diamonds. She is taller and healthier than me. Yuka's hobbies are drawing, dancing and singing. She is good at them.

Yuka is girly because she likes girls' stuff, but I don't. I like things in black. She is outgoing to the people she knows. However, when she sees people she doesn't know, she becomes shy. Yuka is a brave girl too, because she never says no to anything. She is loyal as she always has my back.

She loves eating the same food as me, which is noodles. We both love drinking milk!

I hope our friendship will last forever, whether we are in the same class or not. I will treasure our friendship in my heart.
