### A Strange Dream

I had a strange dream last night. I saw a princess and she told me to be quiet. Then, she brought me into a dark forest. I could not even see my fingers. The princess said “ don’t worry, it wouldn’t hurt you if you were careful.”

On the way, I asked her quietly, “why you need to steal the dragon egg?” The princess replied, “ it was not an ordinary dragon egg. That was an Ender Dragon egg!” “ What is an Ender Dragon?” I asked. “It was a super hostile monster. There are diamonds and gold in its eggs. The baby dragon could fly too!” The princess woke the dragon because she spoke too loud. The dragon roared and ran at us.

We ran to the castle, and we took a sword to fight with the dragon. An hour later, we killed the Ender Dragon and took the egg. I realized I was lying on my bed. “ Wake up! You are going to be late for school! “ My mum said. It was just a dream.

How I want to stay in the dream!
