A Strange Dream

I had a strange dream last night. In the dream, I met a princess. Her name is Emma. In the forest, we walked towards the bush. Princess Emma asked me to keep quiet and tried to walk quietly.

After walking through the dark and creepy forest, I saw a big and scary dragon. While the princess was trying to steal the egg. I hid near the bush. I heard the dragon snoring loudly. I was really scared.

While we were walking out the forest, Princess Emma dropped the egg. The dragon suddenly roared, I jumped out of my skin!

I told Princess Emma to hug the egg tightly. We ran as fast as we can. Luckily, we escaped from the scary dragon. We were exhausted. Princess Emma thanked me for helping her and she gave me a diamond as gift. I laughed happily but my alarm clock rang loudly. It was just a dream!
