A Strange Dream

I had a strange dream last night. I walked towards the forest with the princess. On the way, she told me to keep quiet.

After walking for a while, we saw a dragon was sleeping. It snored loudly. The princess walked towards the dragon. She picked up the egg in front of the dragon secretly.

When we were leaving, we dropped the egg on the ground. The dragon woke up because the egg cracked. It roared and looked at us fiercely.

A baby dragon popped up from the egg. The dragon licked the baby dragon and we immediately escaped. At the moment, the alarm clock rang loudly. I jumped out from my bed. Luckily, it was just a dream.
