

My name is Chan Hng Yi, Chelsea. I am studying in Meng Tak Catholic School. I like my school because the school campus is beautiful. My classmates are diligent and helpful. Besides, they are active in participating in extra-curricular activities.

My favourite subject is English because it is an international language. We need to acquire good English in order to communicate with people all around the world. To improve my English, I like watching English video on Youtube.

I have joined rope skipping team in my school. In the team, I have learnt how to interact with others. Although practicing is always hard but I understand that practise makes perfect. Moreover, I have lots of fun with my teammates.

In my free time, I like making dessert because I have a sweet tongue. At weekends, I always make dessert with my friends and family. My favourite dish is egg pudding and chocolate cream cake. I feel content when my friends like my dishes.
