

Happy School Events

There are four school events in my school.

Sports Day is in October. I go to the school playground. I go running with my classmates. We are excited!

The Christmas party is on 21st December. I go to the school hall. I eat Christmas pudding, play games and exchange presents with my classmates. The games are interesting.

The school picnic is in March. My classmates and I go to Water Park. We play hide-and-seek and eat sandwiches.

Pet Day is on 4th April. We go to the classroom. We see lovely pets. We can pat the hamsters and the dogs. They are so fluffy and cute!

I love my school events so much!
