

## School Events

By Twinker Chan (Class 3B)

My school life is very busy. There are many school events. We have Sports Day on 11<sup>th</sup> October. We go to Chai Wan Sports Ground and I join the high jump races. I am so nervous.

We also have the Christmas party. It is on 10<sup>th</sup> December. We decorate our classroom and put up a Christmas tree. We also exchange presents in 3B classroom.

On 6<sup>th</sup> May, we have the school picnic. We go to Rain Park. We play hide-and-seek. It is an exciting game. We can have lunch in the park.

Our school also has a special event. That is STEM Day. On this day, we can do experiments. It is on 9<sup>th</sup> June.

These are unforgettable memories.
