

My School Events

There are a lot of events in my school. They are fun.

Sports Day is on 20th December. I go to the playground to have races. I feel excited.

My classmates and I have Christmas party on 23rd December. We can exchange presents in the classroom. We can play a lot of games too! It is fun.

There is the school picnic on 12th April. On that day, we go to the park by school bus. I can play hide-and-seek with my classmates. We run so fast when we play. I feel extremely happy.

I love the talent show most. It is in June. I can dance with my friend Katrina. Our classmates enjoy our performance very much. I feel happy dancing with Katrina.

I love my school because there are many school events.
