

## At the Canteen

3C Wong Yee Ching, Chloe

Ella was at the canteen. She looked at the menu because she was thirsty. She looked and looked, but she could not see the cashier. Ella waited for a long time.

She could see the cashier after ten minutes. She asked the cashier, 'Is there any tea?' The cashier replied, 'Yes, there's a lot of tea.' Five minutes later, the cashier said, 'Here's your rose tea.' Ella said thank you politely.

Suddenly, Ella fell over her tea. She was unhappy, but she had no money left. She can only go back to the classroom. Luckily, she brought a bottle of water. She could drink water, but she preferred to drink rose tea!
