

Dear Miss Bashir,

How are you? I love my school. Let me tell you more about it.

My favourite room is the art room. It is on the fourth floor. It is beautiful, nice and big. It is special because there are many pictures. I can draw pictures there. I must keep quiet and I mustn't spit in the art room. I like this room because drawing pictures is fun. I hope you like my school, too.

Love,

Toby
