

An Unlucky Day

By Siu Chin Suet, Chloe

It is wet and cloudy today. Danny wants to go to the park. The news reported that it is going to rain. “Danny, you have to bring an umbrella and a jacket,” Mum says. But Danny does not listen to his mum because he thinks they are heavy. He doesn’t bring anything and leaves.

When he goes out, it starts raining. He becomes wet so he runs back home quickly. He feels sad because he doesn’t listen to his mum. Finally, he gets sick.
