I go to the Science  
Museum in the morning  
in a car.

Page 1

I play on the  
computer on the  
first floor. A shark  
swims out.

Page 2

I see some dinosaurs  
on the third floor.  
They touch me.

Page 3

I see some funny  
mirrors on the  
fourth floor. I see  
a flying dolphin.

Page 4

I see some animal pictures  
on the fifth floor. I touch a  
picture. The lions run out  
and the sharks creep out.

I am happy.
