

Happy Family

My Dear Parents,

I am writing to express my sincere thanks to you for caring me. I want to thank Mum. You look after me every day. I love eating your cooking. I want to thank Dad. You always teach me so many interesting things. I love playing with you. You are my parents and good friends.

You have kindness and patience. I have made so many mistakes which made you always angry, but you never punished me. I really want to be a good daughter.

I am very glad that I have a happy family. Finally, I hope you will be happy every day!

Your loving daughter,
Yannes
