

Mother's Day

3B Lau Chun Kiu, Cyrus

Last Sunday was Mother's Day. My friend, Raphael didn't go hiking with his family because he stayed at home all day. He played online games with his mum and dad. I think Raphael had a boring day.

I also celebrated Mother's Day with my family. In the morning, I made a lot of flowers out of paper. In the afternoon, I gave the flowers to two aunts, my mother and my grandmother. In the evening, we ate a big pink cake. What's an extremely happy day I had!
