

## Naughty Tom

Last Sunday, Tom was at home. He played video games. They were exciting. He played from 8 p.m. to 11 p.m. because he liked the games very much. Although he felt sleepy, he continued to play the games.

At 11 o'clock at night, Mum saw Tom still playing the video games. Mum shouted, "Go to bed now!" Tom did not listen. Mum was angry.

The next morning, Tom felt asleep in the lesson because he played video games all night. Tom's English teacher, Miss Lau, saw Tom sleeping, she yelled, "No sleeping in class!" Miss Lau was really angry because Tom did not wake up.

At last, Tom realised that he was just dreaming. He felt relieved.
