

Last Sunday, Tom played video games from eight o'clock to eleven o'clock at night. Tom was happy because he liked playing video games.

But Mum felt angry because Tom played video games for a long time. Mum said, "It's too late!" But Tom didn't listen to Mum.

The next day, Tom felt exhausted in his lessons. Miss Lau saw Tom sleeping in the lessons, she felt angry.

Finally, Miss Lau asked Mum to come to school. Then Mum came, she said, "You are a lazy boy. Why do you sleep in the lessons? No playing of video games for a month, Tom!" Tom said sorry and cried.
