

## A Trip In Japan

Dear Rachel,

How are you? I went to Japan during the Easter holiday. On the first day, I felt delighted because this was my first time going to the zoo.

After two hours, we arrived at a tasty restaurant. When I was eating udon noodles, Mum and Dad were full. The noodles were delicious.

On the second day, we went to Tokyo Disneyland. We took a lot of photos with the cartoon characters. Then, we watched an amazing show. After that, we went shopping.

On the third day, we visited Ueno Zoo. I was excited and ran to see pandas. I could see that the baby pandas were eating bamboo. Other pandas were climbing trees. They were interesting. Do you love animals?

On the fourth day, we went to see cherry blossoms. The cherry blossoms bloomed in Ueno Onshi Park. We took a lot of photos. It was beautiful.

On the last day, we went to the airport. This trip was unforgettable. Next time I want to travel with you!

Best friend,

Jenny
